NOTICE OF SETTLEMENT

PLEASE TAKE NOTICE that Plaintiffs Karen Smart and Steven Smart (“Plaintiffs”) and Defendant Boston Scientific Corporation (“Defendant”) has reached a resolution in principle of this action. This resolution will resolve this matter in its entirety.

The parties are currently working to finalize the settlement agreement relating to this resolution. The parties expect to finish memorializing the settlement within sixty (60) days and to file a dismissal with prejudice within forty-five (45) days thereafter, when all obligations under the settlement agreement will have been met.

The parties are mindful of the Status Conference scheduled for November 5, 2019. Given the fact that a settlement has been reached in principle by the parties, the parties respectfully request that the current hearings, dates, and deadlines be vacated so that the parties can finalize drafting and executing the settlement agreement, perform the terms of the agreement and then file the requisite dismissal without prejudice.

Dated: October 14, 2019

Respectfully submitted,
